

Czechs Threaten Action Against Archbishop Beran

Accuse Him Of Wrecking State's Peace

Prague, June 21—(AP)—Czechoslovakia's Communist government threatened tonight to take legal action against Archbishop Josef Beran. It accused him of trying to wreck the nation's peace and disrupt its economy.

Premier Antonin Zapotocky told the nation in a radio address that the government would not tolerate "violations of law" by the Roman Catholic hierarchy and added: "Legal action will be taken against all saboteurs, provocateurs and instigators of discord and unrest."

Thus the church-state war moved closer to a parallel with that of Josef Cardinal Mindszenty, who was accused of anti-state activity and subsequently tried and sentenced to life imprisonment in communist Hungary last February.

Zapotocky, in the sharpest public statement made by the communist regime in the church-state war, accused Archbishop Beran of ordering Catholic priests to spread a "concoction of untruthful lies" against the government.

The broadcast followed a cabinet meeting at the session, the government apparently decided on a quick fight to the finish in order to crush the archbishop's resistance to what he says are communist plans for getting control of the church and severing its ties with the Vatican. Zapotocky did not disclose what immediate steps were intended against Archbishop Beran. It might mean his formal arrest and trial unless he backs down—something which he said only last Saturday he would never do.

Defense Chief Asks \$80,000,000 Fund For Giant Carriers

Washington, June 21—(AP)—Secretary of Defense Louis Johnson called Russia an opponent of peace today and at the same time announced plans for modernizing two U. S. aircraft carriers at a cost of \$50,000,000.

This will give the United States eight carriers capable of launching the heavier types of postwar aircraft, including light bombers, defense officials said. "The navy already has launched planes capable of carrying atom bombs from its large carriers."

Johnson minced no words in saying that Russia's non-cooperative attitude is the reason this nation must keep a strong military organization in readiness.

It was Johnson's first major policy speech since he took the top defense job in March. In his audience at the National War college were President Truman and other high officials. Johnson spoke at the graduation of officers, among them Lt. Col. Louis W. Truman of Kansas City, second cousin of the president.

Johnson said Russia is "despotic" and conspiratorial and opposed to peaceful relationships in a free world.

And he added this nation cannot place too much faith in the atom bomb.

"Within a few short years we may witness the end of this era of atomic energy—an era whose end will be signalled by the explosion of some other nation's bomb," Johnson said.

NAMED TO ALL-STAR GAME
Chicago, June 21—(AP)—End Dick Rifenbark and quarterback Pete Elliott of Michigan's 1948 western conference football champions have been added to the player roster for the annual all-star football game in Soldier Field Aug. 12.

Bulletins
Springfield, Ill., June 21—(AP)—The House tonight passed a bill to raise the salary of future governors of Illinois from \$12,000 to \$25,000 a year.

A 94-28 vote sent the bill to the Senate.

Governor Stevenson's pay would be raised only if he is reelected to a new four year term in 1952.

Nanking, Wednesday, June 22—(AP)—Communist troops have suppressed scattered peasant revolts in Anhwei and Kiangsu provinces, the communist Hsinhua news agency said today.

Dispatches from Hanoi, provincial capital of Anhwei, said the uprisings were led by nationalist secret agents, local bandits and landlords.

Seven communist government officials were reported killed at Wu-kiang, 20 miles southwest of Nanking, north of the Yangtze river.

House Won't Increase Illinois School Aid

Springfield, Ill., June 21—(AP)—The Democratic House today refused to increase Governor Stevenson's plan to give \$12,000,000 in state cash to Illinois public grade and high schools.

It defeated a GOP minority attempt to boost the sum to \$123,000,000 for the two years starting July 1. The bills carrying out the program

then were advanced for a passage roll call later this week. Neither House has acted finally on them.

The House, however, did amend the bill to deny state aid to any school district which practices segregation excluding pupils from a school because of race, color or nationality. The House did the same thing two years ago but the senate rejected the amendment.

In other legislative developments today:

1. The general assembly was asked to stay in session beyond its usual June 30th deadline for the six months regular meeting. The senate approved the resolution by Senator Wallace Thompson (R-Galesburg), senate majority leader. House consent still is needed.

2. The senate refused to pass a bill setting up a statewide system of junior colleges which possibly could get state financial aid in the future. The House-approved measure appears to be dead but it was kept technically alive.

3. The senate approved increasing downstate policemen's contributions to their pension fund from three to five per cent. The bill goes back to the House for concurrence in a minor amendment.

**Segregation Ban
Off At St. Louis
After 1-Day Trial**

St. Louis, June 21—(AP)—Between 200 and 250 white boys clubbed negro boys in a North St. Louis park—the first day after the city administration ordered park playgrounds and pools opened to both negroes and whites.

Mayor Joseph M. Darst immediately rescinded the order banning segregation.

Police Sgt. Oscar Dreckschlag led a detachment of patrolmen who restored order.

Sergeant Dreckschlag said police ordered all boys found with clubs out of the park (Fairgrounds) and escorted about 50 negro youths several blocks from the park.

Swimming in the pool began at the regular opening time of 2 p.m. (EST). The negro boys and about five times as many white boys swam together for 45 minutes.

The trouble started when some of the negro boys left the pool. A group of white youths struck at them with ball bats and heavy sticks.

In Mayor Darst's order rescinding O'Toole's directive, he said he was directing O'Toole, in the "interest of the general public to adhere to the time-honored policy" of separate pools for negroes and whites.

**5 Belgian Seamen
Killed As Channel
Boat Strikes Mine**

Dunkirk, France, June 21—(AP)—Five Belgian seamen were scalded to death by searing steam today when the channel boat Princess Astrid, carrying 415 passengers, struck a mine in the English channel and sank.

Twenty passengers were injured. Six persons, including two women, were taken to a hospital.

The passengers were settling down to bridge games and naps in deck chairs one hour out of Ostend when the explosion occurred.

The seamen were trapped in the engine room by jets of steam loosened by the explosion. Their bodies went down with the ship. Five other seamen were injured by the steam. The mine tore a hole in the ship's underside.

Other channel boats and a lighter rushed to the accident only four miles off the French coast and took the passengers aboard.

Women and children were rescued first as the Belgian-owned Princess Astrid, a regular channel boat on the Ostend-Dover service, settled to a watery grave off a sandbar.

The Princess Astrid struck a mine that supposedly had been floating around treacherously since the war.

**Widow Found After
Fruitless Search
For Aged Swindler**

Chicago, June 21—(AP)—A 39-year-old widow was on her way back to Chicago from New York today after a fruitless quest for a confidence man she accused of courting and swindling her.

Missing for nine days, Mrs. Reseda Corrigan, mother of three children, turned up at a New Jersey airport this afternoon. She had been the object of a widespread police search since June 12 when her children reported her missing.

Meanwhile, Chicago police obtained a warrant charging Sigmund Engel, 73, with bilking the widow out of \$5,000 after he had proposed marriage and set the date for the wedding.

Police Captain Daniel Gilbert of the Cook county (Chicago) state's attorney's office, said Engel was a confidence man who had preyed on women over the nation for more than 50 years. He said Engel is one of 32 names used by the aged Romeo, Gilbert said Engel has a record in almost every city in the country and in Canada, England, France and Belgium.

St. Louis, June 21—(AP)—A strike of Union Electric company office workers, which threatened to cut off half of the power for the St. Louis area, was settled tonight.

State Senate Okays Nickel Gas Tax; Stevenson For It

Springfield, Ill., June 21—(AP)—The Senate voted today to increase the Illinois gasoline tax from three to five cents a gallon after Governor Stevenson came out with a last minute statement favoring the plan. The vote was 27 to 22, with 26 needed for passage.

Seventeen democrats and ten republicans joined in approving the bill and advancing it to the House for final action. Twenty-one republicans and one democrat—Senator Frank Ryan of Chicago—lined up against it.

The estimated \$85,000,000 annual yield from a five cent tax would be earmarked for improving the entire road system in Illinois. Under the proposed allocation, the state would get 36 per cent of the revenue, cities 30 per cent, Cook county 11 per cent, downstate counties 12 per cent, and country roads 11 per cent.

Gas tax backers said it has at least an even chance of winning approval of the democratic controlled House.

Most lawmakers credited the democratic governor's eleven hour announcement supporting the tax with swinging enough votes to put it over in the republican Senate. Previously, he had maintained a strict public silence.

**600 Japanese Dead
Or Missing From
Typhoon, Floods.**

Tokyo, June 21—(AP)—A typhoon and accompanying floods cut a 500-mile swath of destruction across southern Japan yesterday, leaving an estimated 600 Japanese missing or dead.

The storm blew out into the sea of Japan today, but left swollen rivers and heavy rains in central Japan. These threatened new misery.

The damage area extended from the western shore of the southern island of Kyushu to Shizuoka prefecture on the main island of Honshu. This prefecture at its closest point is only 50 miles from Tokyo.

Communication lines were beaten down. Police for that reason had only fragmentary reports on the dead, missing and the extent of damage. They put the dead at 40 and the missing at 563.

The typhoon, with gusts up to 115 miles an hour, first struck at the big U.S. air base at Okinawa, south of Japan. No American casualties were reported although the storm center passed just east of Okinawa.

**U.S. Told To Pay
Claims Of Damage
By Stunting Plane**

Chicago, June 21—(AP)—A judge directed the government today to pay more than \$60,000 in damages to persons injured when a stunting army plane struck a building on the northwest side.

The plane, piloted by Lt. Arthur Robitschke, of Chicago, crashed into the home of Henry Pazydyka on April 13, 1946, killing three persons. They were the pilot; his brother-in-law, Albert E. Schultz, a passenger; and Pazydyka's mother, who was in the house.

Federal Judge Elwyn R. Shaw, in allowing the claims of the injured persons, held that such payment was required because "the injuries would not have occurred if proper care had been exercised by the pilot."

**AEC Declares No
A-Bomb Uranium
Lost At Oak Ridge**

Washington, June 21—(AP)—A flat statement that "no A-bomb uranium is lost" at the Great Oak Ridge, Tenn., atomic plant was issued by the atomic energy commission today.

Almost simultaneously Chairman McMahon (D-Conn.) of the Senate House atomic committee told newsmen on Capitol Hill:

1. The committee is investigating an "inventory discrepancy" at the Oak Ridge plant.

2. But he believes it is "not of a kind for the American people to become alarmed about."

McMahon's statement followed published reports about a "loss" of uranium—the key ingredient of atomic bombs—at Oak Ridge.

Neither McMahon nor the AEC gave any inkling as to the type of material, if any, that appears to be missing.

Senator Millikin (R-Colo.) asked McMahon if it is not true that the remains to be determined whether the discrepancy is "a bookkeeping error or a loss of material."

"Yes, I think that can be said," McMahon replied.

**GERMAN YOUTH
STAGE DEMONSTRATION**

Hamburg, Germany, June 21—(AP)—About 150 Soviet zone German youth marched across the border into British occupied territory last night in a demonstration for "peace-loving Vishnyski." German police reported today. They were members of the "Free German Youth" movement trained by communists.

Truman Blames Russia For Failure On Germany

Call Investigation On Report of Fee Paid To Colonel

Washington, June 21—(AP)—A three-pronged investigation was ordered today after a report that a wartime lieutenant colonel got a \$1,000 fee as a down payment on work he said he would do helping a client land a government contract.

The report was in today's issue of the New York Herald Tribune.

Jack Steele, in a copyrighted story, said that James V. Hunt, a so-called management counselor here, had accepted a \$1,000 fee from Paul Grindle, president of a Farmington, Mass., furniture factory.

Grindle was quoted as saying that Hunt, who was an official in the War Assets Administration after he left the army, had implied he had considerable influence around Washington.

According to Grindle, Hunt tossed off the names of several prominent Washingtonians, as if he were on friendly terms with them.

Among those mentioned, Grindle said, were Maj. Gen. Harry H. Vaughan, military aide to President Truman, Secretary of Defense Johnson, and Jess Larson, former War Assets Administrator who recently was named federal works administrator.

Grindle said he gave Hunt \$1,000 and agreed to supply an additional \$500 a month for expense money—plus 5 per cent of the gross amount of any contract he received. The agreement was signed May 9, 1949.

**Bitter At Divorce,
Man Shoots Judge
Wife, And Himself**

Port Arthur, Ont., June 21—(AP)—A crazed killer who had sworn he would "get" the judge, shot and killed him in his court today in a wild shooting affray that left two other persons dead.

William Gray, 50, first shot and killed his estranged wife in the judge's chambers of Port Arthur's family court, fatally wounded Judge Bruce J. McKittick, and then fired a bullet into his own chest.

Badly wounded, Gray methodically reloaded his empty revolver, pointed it again at his chest and fired a second, fatal bullet. He also had threatened to kill his lawyer.

The shooting abruptly ended the hearing in the judge's private chambers of a non-support charge brought against the former Sudbury, Ont., provincial police officer on behalf of his wife and three young children.

**Bendix Employees
Reject Governor's
Plea On Strike**

South Bend, Ind., June 21—(AP)—Employees of the Bendix Aviation corporation plant voted noisily and overwhelmingly late today to reject Governor Henry F. Schricker's plan for ending their strike.

Packing the Adams high school auditorium, which seats 5,000 persons, members of Local 9, United Auto Workers (CIO), sweltered through almost two hours of talks. Union leaders emphatically recommended rejection of the governor's proposal.

When the motion was made to accept the recommendations of our officers to reject the governor's plan and send our committee back for further negotiations, almost all stood up to vote "yes."

The hall was being emptied rapidly as a handful stood up to vote "no." There was no attempt to count the votes.

**Lewis Opens Coal
Conference Today**

Washington, June 21—(AP)—John L. Lewis opens crucial contract talks Wednesday with a major part of the soft coal industry capable of blazing the way toward a nationwide 1949 coal agreement.

The United Mine Workers' chief will meet at White Sulphur Springs, W. Va., with operators from the north and west. Some industry representatives believe the northern and western employers will be inclined to make terms with Lewis before the Southern Coal Producers association, whose negotiations with the miners appeared to be drifting into deadlock at Bluefield, W. Va.

Lewis also invited the U.S. Steel corporation to begin contract negotiations at the swank resort on Thursday.

More than 125,000 horses are slaughtered for food under federal meat inspection every year. Most of this meat is exported.

Russia Hints Desire To End Berlin Strike

Berlin, June 21—(AP)—Russia expressed a pointed desire today to end the month-long Berlin railway strike on the heels of the Big Four foreign ministers' conference in Paris.

Maj. Gen. Pavel Kvashnin, Soviet transport chief here, in answering a letter of the U.S., British and French commanders, declared none of the workers would be punished merely for walking off the job.

No Traffic Since May 21
An allied spokesman said this exchange might be a basis for settling the walkout which has completely halted inter-zonal rail ship-

**Judith Coplon
Ends Her Defense
At Espionage Trial**

Washington, June 21—(AP)—Judith Coplon screamed "that's a damn lie!" but finally acknowledged at her espionage trial today that she spent two nights with a man in Philadelphia and Baltimore hotel rooms.

Prosecutor John M. Kelley, Jr., said the man registered them as "Mr. and Mrs. H. P. Shapiro, from 122 Burnside avenue, East Hartford, Conn."

The justice department identified Shapiro as an employee in its criminal division. He was described as a lawyer and a bachelor.

Blazing with anger, Miss Coplon first shouted a denial of Kelley's accusations and cried bitterly: "Why are you doing this in front of my mother?"

Then, as Kelley bore down relentlessly with the details as to room numbers, hotels and cities, Miss Coplon lowered her eyes and said, yes, it was true.

But she insisted that although she spent other nights later with the same man in his apartment, and even took an overnight bag with her, there was nothing illicit in their relations.

**15 Future Farmers
Chosen To Receive
Convention Degree**

Champaign, Ill., June 21—(AP)—Fifteen Illinois members of the future farmers of America were selected today to receive the "American Farmer" degree. The degree will be conferred at the organization's national convention next August in Kansas City.

The honor is accorded youths considered outstanding in FFA activities in high school and in one year of active farming after graduation. Awards were announced during the 21st annual state FFA convention at the University of Illinois.

Recipients were James A. Aggen, Morrison; Willis G. Barber, Walnut; Roy Brammiller, Venedy; Alvin R. Henninger, Kirkland; Carl R. Keltner, Pearl City; George J. Lewis, Hersman; Bertel E. Mattson, Sandwich; J. Marshall Mollett, Green; Donald A. Morgan, Homer; Paul A. Noble, Waterloo; W. H. St. John, Jr., Maroa; Maurice Soucie, Peotone; Gerald E. Tetzlaff, Carlinville; George F. Tortu, Dixon; and Donald E. Woods, Ellery.

**Dangerous Campus
Groups Reported**

Springfield, Ill., June 21—(AP)—The Broyles commission said today schools provide the "most fertile field for communist and subversive activities" in Illinois.

The legislative group declared that some "seemingly social" campus organizations "in reality are hotbeds of promoting, inculcating and stimulating communist ideologies."

These statements were made in a 300-page printed report on the commission's two year investigation of subversive activities.

The report was signed by Chairman Paul Broyles, Republican Senator from Mt. Vernon, and 10 other persons from the 15 member group. It was submitted to the general assembly and apparently wound up the commission's work.

**Kankakee Streets
Under New Lamps**

Kankakee, Ill., June 21—(AP)—A crowd of 15,000 jammed downtown streets last night as the city dedicated its new \$128,000 mercury-vapor type street lighting system.

Movie Starlet Kay Christopher, formerly of Dwight, Ill., pulled the switch that set the 198 lamps into brilliant light.

Says Policy Hindered Paris Meet

Washington, June 21—(AP)—President Truman declared today that Russia's refusal "to recognize the important progress" of the western powers in building a democratic western Germany had blocked agreement on German unification at the Paris foreign ministers meeting.

"The American delegation went to Paris with the serious intention of developing a constructive program which would meet the requirements for all of Germany," the president said, "and would safeguard the interests of all four powers in insuring that Germany would achieve its reconstruction along peaceful and democratic lines."

The Russians, he said, "sought a return to Potsdam and its system, which the Russians had rendered unworkable by their misuse of the unlimited veto."

Ignored Progress
"They refused," he added, "to recognize the important progress which has been made in western Germany since 1945."

At the same time the chief executive acclaimed the progress which the foreign ministers of the United States, Russia, Britain and France made in ironing out disagreements in the way of completing an Austrian treaty. He declared "we have reason to hope that before the end of the year the treaty may be signed."

**Warship Ordered
To Guard British
Shipping In China**

London, June 21—(AP)—Britain today ordered a warship at the mouth of the Yangtze river in China "to intervene to protect British shipping there from interference."

The orders were sent out just after the British freighter Anchises was bombed and machine-gunned by a Chinese nationalist plane on the Whangpoo river at communist-held Shanghai.

Four crew members were wounded in the attack, which foreign undersecretary Christopher Mayhew described as "absolutely unwarranted."

Later a spokesman for the admiralty said in a statement: "The present instructions to the British warship which is stationed off the mouth of the Yangtze are that she is to intervene to protect British shipping there from interference."

**Prince Gives Away
Daughter To Texan
In Castle Wedding**

Hechingen, Germany, June 21—(AP)—A Hohenzollern princess who might have been the daughter of a German Kaiser but for the fates of war turned her back on castles today and went honeymooning with an American interior decorator.

Princess Cecilie, granddaughter of old Kaiser Wilhelm, became plain Mrs. Clyde Harris of Amarillo, Tex., when she married him in a cottage in Texas.

The blonde princess and her young business man were married in the 1,000-year-old story book castle here today before a who's who of royalty. Then they drove off to a secret honeymoon refuge somewhere in Germany.

The bride, a direct descendant of Queen Victoria of England, was given away by 67-year-old crown Prince Wilhelm, her father. Giving away the bride is not ordinarily a part of the German ceremony, but it was a concession to American custom.

**Woman Nominated
Foreign Minister**

Washington, June 21—(AP)—Washington's No. 1 hostess, Mrs. Perle Mesta, was nominated today to be minister to the duchy of Luxembourg.

Wealthy and widowed, Mrs. Mesta is a close friend of the Truman family. She left the Republican party after staunchly supporting Wendell Willkie and now is a top-level Democrat. She has been a delegate to two national conventions.

There have been two other U.S. women diplomats.

Mrs. J. Borden Harriman was minister to Norway from 1937-40 and Mrs. Ruth Bryan Owen Rohde was minister to Denmark in 1933-36.

YOUTH DROWNS
Port Colborne, Ont., June 21—(AP)—Charles Popjoy, 15, of Chicago, drowned today at Pleasant Beach, east of this lake Erie town.

The youth, a boarder at Mount Carmel College, Niagara Falls, Ont., was one of a party of 130 boys from the college who were spending the day at the lake.

Strikebound Ports In Italy Hurting Tourist Season

Rome, June 21—(AP)—The Italian seamen's strike tonight threatened to tie up all of the country's major ports at the height of the tourist season.

The 20,000-ton liner Saturnia, strikebound in Genoa since Friday, cancelled its sailing to New York spokesmen for the Italian line which operates the Saturnia, said the line would try to send stranded passengers to Marseilles where several ships are scheduled to leave for New York.

The Italian news agency Ansa said the crew of the Vulcania, sister ship of the Saturnia, radioed "solidarity" with the strikers. The ship arrived in New York today. It was not known whether the Vulcania's crew would join the strike.

The spread of the strike came on top of the farmhands' stoppage which in 34 days has cost six lives and has imperiled Italy's harvest. Press reports said the strike, which started in Genoa, had spread to Savona, Leghorn and Naples. Unrest was reported in Venice, Bari, Ancona and Trieste.

SEEKS CITIZENSHIP
Washington, June 21—(AP)—A Chinese seaman, who survived 123 days at sea on a life raft, today received senate approval for permanent residence in the United States.

A bill to admit Poon Lim, now a seaman in the U.S. Merchant Marine, passed the Senate. It now goes to the House.

GETTING AT FACTS ON WHAT WE SPEND

There is before the U. S. Senate a resolution calling for all appropriations to be consolidated into one bill to be considered by Congress at one time. It should permit Congress to analyze the various sums up in the bill and compare the amount sought with the estimated income.

At present, with the enactment of numerous separate appropriation bills there is no opportunity, until the last bill is presented, of making a sensible guess as to what the total will be. Even the appropriations do not indicate what the actual expenditures will be. Some funds are carried over from the previous year. The Hoover report cited the case of the Bureau of Ships, which is financed by 27 separate appropriations. How can anyone know the facts in such cases?

The only real test of the government's financial position is to check expenditures against receipts. That can more nearly be done by adopting a consolidated appropriation bill procedure. Nearly every state in the union operates under this procedure. There are many other factors involved, but most states are in a much better financial position than is the federal government.

Certainly there is nothing to lose through the consolidated appropriation procedure. There is much to be gained.

The resolution was offered by Senator Harry F. Byrd and it has been co-sponsored by Senators Butler, Bridges, O'Connor, Knowland, Gillette, Ferguson and Wherry. Chairman Cannon of the House Appropriations committee has endorsed the idea. This is the type of legislation that any public official of any political belief could support.

Boyle's Column

Where Nobody Shouts 'Seig Heil!' Anymore

By Hal Boyle

New York —(AP)—Memories of Europe revisited: There was an old German selling flowers in front of the press camp in Frankfurt. He held a rose in his mouth while making change for a customer.

"Ten years ago," said someone, "they took the bit in their teeth. Now look—It's flowers."

How to lose friend and alienate allies department: It happened after midnight at the Savoy in London. It was one of those international gatherings at which people would rather say something brittle and clever than something true.

They were deep in scotch and talking about things they didn't know—just to get in the knife blade and hurt each other.

"You wouldn't have had an air force without our Rolls Royce engine," said the Englishwoman. "You Americans are the greatest warmongers in the world."

"No, you British are," said an American. "Who are the greatest warmongers—we or the Americans?" asked the Englishwoman, turning to a friend. "The Americans, of course," murmured her friend.

"You're just mad," said the American, "because you don't have anything left to warmonger with."

Wonder what the soldiers in the allied cemeteries would say to either of them?

The most successful denazification program in Europe can be found just outside the village of La Cambre in Normandy.

It is a German military cemetery: an epitaph to the reich Hitler meant to last 1,000 years.

In row after row they dwell under black metal crosses of the fatherland—Der Fuehrer's panzer grenadiers, his dark clad paratroops, his

prize storm troopers, with their loyalty locked in their frozen throats. Many crosses bear the name of the soldier beneath. Many say simply: "Unknown German."

The cemetery was left under French care. And the French, with a stern but honest hospitality, have passed on this responsibility to nature. They didn't invite the Germans in—and they see no reason for honoring those who stayed.

Weeds, thistles, nettles, grass and daisies spring from the sunken graves and wave above the crosses. Here and there a poppy blows in scarlet surprise.

It is a quiet and peaceful place. And nobody shouts, "seig heil!"

Corn Borers Apt To Hit All-Time High in Illinois

Champaign, Ill., June 21—(AP)—A record number of corn borers is now "practically certain" in Illinois, a University of Illinois entomologist reported today.

He said this is the "critical week" in the fight against the pest.

Dr. G. C. Decker said more than a half million acres of corn in central and northern Illinois should be sprayed this week.

The situation in north central Illinois is "extremely critical," he said, and "damaging borer infestations are now practically certain." He described the area as between U. S. Highway 6 and State Highway 10 where, he said, early-planted corn now measures more than 60 inches.

Teachers Of The Deaf See Demonstrations

Over seven hundred teachers of the deaf were on hand Tuesday morning to watch several demonstrations and to listen to talks at the Illinois School for the Deaf auditorium. The session marked the second complete day of the thirty-fourth national convention of the American Instructors of the Deaf.

The morning session was presided over by Dr. S. Richard Silverman, director of Central Institute for the Deaf, St. Louis, and associate professor at Washington University. Dr. Silverman has recently returned from a European trip where he lectured on hearing defects and educational procedures with the hearing handicapped.

He stated that if there is to be progress in the education of the deaf there must be a continuation of basic research as well as an application of that research to new factual situations.

Children Demonstrate Methods
Miss Margaret Scyster of the Illinois School for the Deaf, with the help of three tots, five, four and three years of age, showed how deaf youngsters learn to talk.

Her method is to show the child a picture and then to tell the child what the picture represents. The child places his hand on the instructor's throat.

"The purpose of this," Miss Scyster said, "is threefold. The child can feel the vibration of my voice put his hand on his own throat and achieve a similar vibration by making the same sound. Secondly the child can imitate the motion of my mouth with his own and achieve the same sound. Finally, if the child has any residual hearing, he can detect the sound."

Advanced Demonstrations Given
The second demonstration was conducted by Miss Alyce Thomas, also of the Illinois School for the Deaf. Miss Thomas was aided by three young men and women who had from seven to thirteen years of training behind them.

"By the processes described before," Miss Thomas said, "the child is able to make himself understood after several years of training. At this later period he is taught more complicated word formations and sentence structures."

The demonstrators were able to say such words as "conversation," "decision," "election" and other multisyllable words.

Speech Tests Developed
To maintain a check on the progress of the students, tests have been devised to measure speech development. Dr. C. V. Hudgins of the Massachusetts School for the Deaf, Massachusetts, spoke shortly on the evaluation of speech in the deaf. He pointed out that the scores of these tests were both deaf and hearing persons so as to establish a fair score. He also pointed out that recordings are used to reduce the tension of the speaker and to allow both teacher and student to study the voice at later times.

Dr. Hallowell Davis of the Central Institute of the Deaf, an expert on audiology, also appeared on the program.

Wylie Resigns As Fairmont City, Ill. Police Chief

Fairmont City, Ill., June 21—(AP)—Police Chief Arthur J. Wylie resigned last night at a city council meeting attended by a union delegation demanding his ouster.

Petitions seeking removal of the police chief had been circulated by Local #2, CIO Mine, Mill and Smelter Workers union and the rival CIO Progressive Metal Workers Council.

The trouble grew out of a 10-month-old strike by the smelters workers at the American Zinc Company plant here. The Metal Workers Council sought to obtain bargaining rights at the plant and settle the strike.

Wylie said he was resigning as police chief and street inspector and expressed appreciation for cooperation he had received since taking over the posts in 1945.

Jack Vickery, one of his two assistants, was named to succeed him in both posts.

GENERAL EXECUTED
Prague, Czechoslovakia, June 21—(AP)—Gen. Heliodor Pika, former deputy chief of the Czechoslovak army, was executed today at Pankrac prison, the Prague radio announced. He was sentenced Jan. 28 after a two-day secret trial on charges of divulging secrets to the British intelligence.

Australia Faces General Walkout By Coal Miners

Sydney, Australia, June 21—(AP)—A virtual shutdown of industry because of dwindling coal supplies put 200,000 men and women out of work today in Sydney and Newcastle. But worse news was in store for Australians.

The nation's 23,500 coal miners have threatened a general walkout next Monday if their demands for a 35-hour week and a wage increase of 30 shillings (\$4.86) are not met.

There are more men out of work here today than in the days of the pre-war depression. Australian labor leaders permit no real stockpile of coal. Industry is fed on almost a day-to-day basis. Storms have delayed arrival of coastal coal carriers. Now most factories are closed. Shops and offices are lit by oil lamps or not at all.

The city government has issued rigid restrictions on the use of fuel in homes. Sydney is a cold, cheerless city. It is mid-winter in Australia. The temperature in Sydney was 49 degrees this morning. Only a few homes have enough gas to cook an evening meal. Most households are without coal and wood. There is no furnace heating in Australian houses and electric heaters are now forbidden. One who breaks the restrictions is subject to a \$500 (\$1,620) fine.

Most coal used throughout Australia is mined in New South Wales. All principal cities are suffering from fuel shortages and most are under restrictions similar to Sydney's.

Yale Won't Ask Loyalty Oath

New Haven, Conn., June 21—(AP)—Yale President Charles Seymour asserted today the university will not "impose an oath of loyalty upon our faculty."

At the same time, Dr. Seymour said in an address prepared for the annual alumni luncheon, "we shall appoint no Communists to our faculty, their presence here would mean the negation of academic freedom."

"But we shall permit no hysterical witch hunt," he declared.

"Cleanest Farm in the County"

"And it's making money for me, too. That's because I'm using all of it, including the land that had been taken over by brush and brambles."

The new **WEEDONE BRUSH KILLER 32** contains the powerful 2,4,5-T as well as 2,4-D. This proved formula kills Brambles (Blackberry, Raspberry, etc.), certain species of Oaks, Sumac, Osage Orange, Wild Cherry, Wild Rose, Gum, Poison Ivy, Poison Oak, Honeysuckle, Hickory, Locust, and over 85 other woody plants.

Clear **PASTURES** of patches of brambles and brush, as well as thistles and other weeds, and get a permanent stand of grass. Clear **FENCE ROWS** and roadsides of brush that robs nearby crops of moisture and plant food, while giving shelter to harmful insects. You can spray tree stumps to stop regrowth.

A Superior Product in Many Ways

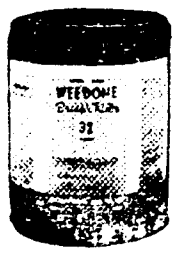

- Weedone Brush Killer 32 greatly reduces annual cost of controlling woody plants
- Kills a greater range of plants than either 2,4-D or 2,4,5-T used alone
- Easy to apply—use knapsack sprayer for small areas and any power sprayer for large plots
- Non-corrosive; non-poisonous to livestock or humans; not a fire hazard
- Ready for mixing with oil or water
- Does not kill grass
- Concentrated for easy handling and storage

ALSO AVAILABLE: Weedone 2,4,5-T (contains 3 lbs. 2,4,5-T per gallon). If your dealer cannot supply you, write to us direct. Free Brush Killer bulletin.

Also present from Jacksonville will be Grace Fitch, principal, Franklin elementary school, Jacksonville; president Illinois Elementary School Principals' Association. Miss Fitch will serve as leader of a session on discussion groups teacher welfare. Miss Ida Simmons, teacher, Franklin school, Jacksonville, who will serve as consultant on elementary education.

White Hall Pastor Resigns Position To Serve in Iowa

White Hall—The Rev. H. J. Witzgall, White Hall Lutheran minister for the past two and one-half years, has resigned his pastorate here to accept a call extended to him by a similar congregation in Alta, Iowa. Rev. Witzgall has also been serving the Jacksonville Lutheran Mission since he took over in 1946.

A farewell picnic was held for the departing minister last Sunday. The congregation bade him and his family farewell by presenting them with several gifts. Another party was held at the home of Mr. Walter Harms in Roodhouse last Thursday. The Rev. E. J. Schnick of Girard, Illinois, will fill the White Hall vacancy until a new minister is procured.

VOCATIONAL EXHIBIT AT TEACHERS' CONVENTION

One of the interesting sidelights at the national convention of the American Instructors of the Deaf is an art exhibit. The exhibit, shown above, is the product of many long hours of work by pupils in schools for the deaf throughout the United States.

Shown in the picture are from left to right: Mrs. Hazel McLaughlin, section leader of the convention art section; Miss Edith Jordan of the Illinois School for the Deaf; and Mrs. Helene Condon of the New Jersey School for the Deaf.

The objects in the exhibits are prepared as part of the vocational guidance programs of the various schools. Among the types of work the students do is water and oil painting, weaving, metal work, leather work, and rug making.

Eileen Kolberer And Earl Niestradt Wed

Couple Leaves For Trip North After Reception

Arenzville—In vows spoken at 9:30 a.m. Saturday in St. Fidelis church, Miss Eileen Kolberer, daughter of Mr. and Mrs. Albert Kolberer, Arenzville, became the bride of Earl Niestradt, Arenzville. Rev. Michael P. Helehan performed the double ring ceremony.

George Boehn, Springfield, sang "Ave Maria" and "Psalms Angelicus," accompanied at the organ by Mrs. M. G. West, who also played the traditional wedding marches.

The church was decorated with ferns and white floral arrangements.

The bride, given in marriage by her father, was preceded down the aisle by Miss Maxine Dutour, Springfield, as maid of honor, and Miss Mildred Niestradt, Jacksonville, sister of the groom, as bridesmaid. The maid of honor wore a formal of orchid frosted organza with matching picture hat and carried a colonial bouquet of pink carnations. Don Kolberer, brother of the bride, served as best man; Melvin Schone, groomsmen, and ushers were Wilbur Klein-schmidt and Melvin Dufelmeier.

The bride's gown was of white bridal satin, giving an off the shoulder effect; long pointed sleeves and a full skirt which fell entrain. The skirt was worn over hoops. Her finger-ring veil, with blusher, fell from a tiara of orange blossoms. The bridal bouquet was of white carnations with satin streamers. Her only jewelry was a single strand of pearls.

The bride's mother wore a pink print dress with matching hat. The groom's mother wore an aqua print dress with white accessories. Both wore corsages of white carnations.

The ceremony was followed by a breakfast at the Dunlap hotel, Jacksonville.

Reception Held at Home

A reception was held in the home of the bride's parents from 2 to 5 p.m. The wedding cake was cut by Mrs. Dan Dimmitt, Pittsfield, sister of the bride. Assisting in the serving were Mrs. Mervin Verry, Canton; Misses Theresa Heise, Litchfield; Mary Louise Heaton, Vivian Shedy, Catherine Scherzer and Elizabeth Johnson, all of Springfield.

Miss Kolberer is a member of the 1945 graduating class of Arenzville Community High school and is also a graduate of St. John's School of Nursing Education, Springfield.

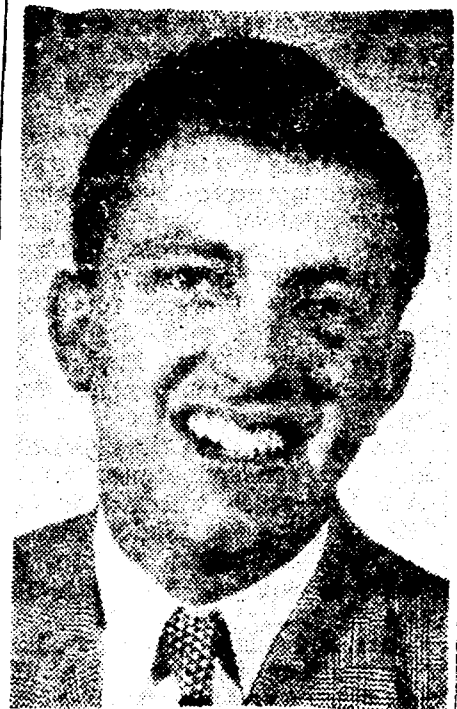

Mr. Niestradt is also a member of the 1945 graduating class of Arenzville Community High school. Since serving with the U. S. Navy in Japan he has been employed at the Bureau seed farms.

The couple left for a trip through northern states and returning will be at home in Arenzville. For traveling the bride wore a white suit with navy accessories and a corsage of pink carnations.

Out of Town Guests

Out of town guests were Mr. and Mrs. Elvin Sanders, Greenville; Mr. and Mrs. Dan Dimmitt and sons Michael and Gary, Pittsfield; Miss Theresa Heise, Litchfield; Mrs. Mervin Verry, Canton; Rev. James Sud-des, Mrs. Tom Reedy, Mrs. Edith Reagan, Misses Maxine Dutour, Mary K. Daley, Vivian Shedy, Mary L. Heaton, Kay Stalling, Catherine Scherzer, Elizabeth Johnson, John Grigiski and George Boehn, all of Springfield; Mr. and Mrs. John Shields, Kenneth Kolberer, John Beard, Miss Mildred Niestradt, Jacksonville, and Miss Alice Reed, Beardtown.

Best will discuss corn production and will illustrate his lecture with movies.

Certain products tend to make refrigerator desserts — such as ice creams or mousses or sherbets — smoother since they help to prevent the formation of large ice crystals. These are gelatin, corn syrup, evaporated or condensed milk, eggs and marshmallows.

PARASOLS

Remember when little girls in the hot summertime, carried parasols like Mother's, only smaller? Plain white or of dainty flowered materials, they kept milk-white complexions from being burned and freckled. Parasols gave little girls a grown-up feeling as they tripped along in white muslin dresses and silk sashes. Remember?

Children's Day Next Sunday at Grace Church

Children's Day exercises will be held in Grace Methodist church at the Sunday school hour next Sunday morning, June 28, at 9:30 o'clock. In addition to the various exercises by the children, there will be a recognition service for all those who have 100% attendance, and pins will be presented accordingly.

Appropriate exercises will be held also in recognition of Mrs. J. I. Gram's 40 years of service in the work of the Sunday school. All parents are urged to be present.

MY WIFE HAVING LEFT ME

Sue, I sure do miss you. And I admit I've been hard to take. But, hon, there was a reason for my mean disposition. I was "out of order" and depending upon harsh laxatives. Now you'd see a big change. Yes, I've found relief from constipation caused by lack of bulk in the diet—by eating right. Every day now, I have me a bowlful of KELLOGG'S ALL-BRAN and follow through by drinking plenty of water. What relief, what joy, to be able to give purgatives the go-by! That crisp whole bran tastes just fine and keeps me regulated. But, Sue, life isn't right without you. Come back, you're the only girl for me. Your loving JOE.

A special offering will be taken for the Board of Education to assist worthy students through college.

DICK MEHRHOFF IS CARROLLTON CITIZEN TO BOYS' STATE

Carrollton—Dick Mehrhoff, son of Judge and Mrs. L. A. Mehrhoff, is attending Boys' State at Springfield this week. Mehrhoff, a junior at Carrollton high school, is the only representative from this city. He is sponsored by the Lions Club.

Olin Stead, superintendent of the Carrollton schools, Gene Woods and Bill Hindelang are serving on the staff of the state government camp. Woods and Hindelang are counselors and Stead is a supervisor.

Births

Mr. and Mrs. Edward Schultz, 315 South Payette, are the parents of a girl, born at 3:55 a. m. Tuesday at Our Saviour's hospital. The child weighed 8 lbs., 13 ounces.

Mr. and Mrs. John P. Burr, 1122 West State street, are parents of a son, William Brown Burr, born Friday, June 17, at Alton Memorial hospital. The mother was formerly Miss Joan Streeter of LaGrange, Ill. Mr. Burr is a student at Illinois College.

PARENTS OF SON

Ashland—Mr. and Mrs. Warren Winner of Ashland are the parents of a son born Saturday at St. John's hospital, Springfield.

Doris Seymour Becomes Bride Of C. Davidson

The marriage of Cletis Davidson of Lynnville and Miss Doris Seymour of Jacksonville was solemnized Friday, June 17, with Major Henri Servals performing the ceremony at his home on East Beecher avenue. They were attended by Mr. and Mrs. Merle Jackson.

Both the bride and her bridesmaid were attired in blue.

The bride was graduated from Jacksonville High school with the class of 1949, and is now employed as an elevator operator at the Farmers State Bank building. She is the daughter of Mrs. Myrtle Seymour, 1420 Center street.

Mr. Davidson, son of Mr. and Mrs. William Davidson of Lynnville, is a farmer. They will make their home with the bride's mother for the present.

Federalist Papers Subject of Great Books Discussion

Dr. John S. Wright, professor of Political Science at Illinois College, was guest leader for the Great Books discussion of The Federalist Papers at the Public Library on Monday evening of this week.

"The Federalist Papers is not in itself a great book," said Dr. Wright in his introductory remarks. "It is a great book because it 'surrounds' the Constitution. If Rousseau, writing the Social Contract, was a theocrat in the field of political science, the authors of the Federalist Papers, Madison, Jay, and Hamilton, were the people of New York to get on Gus Oehler.

Dr. Wright commented on the similarity between the Articles of Confederation, under which the states had been operating, and the Constitution, the fundamental difference being in the means by which powers are executed. "The regulation of interstate commerce is the only power granted through the Constitution not granted by the Articles of Confederation," he said. "The years have proved that the Constitution is a workable instrument—it was a successful attempt to balance liberty on one hand, and energy of government on the other."

There will be no meetings of the Great Books group during July because of the leader's training course which will be given at the Lincoln Library in Springfield, July 11-22. The final discussions of the first-year course will be Adam Smith—Wealth of Nations on August 22, and Karl Marx—Communist Manifesto on August 29, for which Dr. Elizabeth Nichols will be the leader.

RETURN FROM FUNERAL OF SOUTH DAKOTA WOMAN

Mrs. Lula A. Cox, 201 East Greenwood avenue, her son, Clarence I. Cox, daughter and husband, Mr. and Mrs. William Moss of Winchester, the authors of the Federalist Papers, have returned from Miller, South Dakota, where they were called by the death of the former's sister, Mrs. the people of New York to get on Gus Oehler.

Class Initiated By Malta Shrine

Malta Shrine No. 51 at its regular meeting at the Masonic temple initiated a class of four candidates, including Eunice Gotschall, Lewis Gotschall, John Easley and Dorothy Coultas. Music was furnished by Miss Fern Haigh and Mrs. Cora Littler.

Guests were present from Glasgow, Beardstown, Griggsville and Winchester. Refreshments were served in the dining room after the session.

Who'll be First with the Last Word?

White sidewall tires, as illustrated, available at extra cost.

ACT QUICKLY—and in your neighborhood it might be you.

For there's no doubt that this exciting new Riviera model—styled and executed by Buick—is the very last word in new body types.

It has, as you see, the swift and racy lines of a Convertible, made even more distinctive by a bold new sweep of chromium along its fenders.

But the top is solid—a single sheet of stout steel, neatly finished off inside with chromium bows. And a broad rear window curves gracefully around, giving really abundant rearward vision.

Push-button controls drop all windows out of sight at a touch, leaving not even a doorpost to block your outlook. And the interior trim is

the richest yet—a really stunning creation inside as well as out.

As pictured here the Riviera is now in production on the Buick ROADMASTER chassis—which means 150-hp Fireball power, the silken luxury of Dynaflow Drive, and the matchless levelness of the Buick "dream ride." That means "the last word" in brilliant performance as well as in luxurious dress and styling.

Production on this high-styled road star is limited, as you might expect.

To be "first with the last word," therefore, it is wise to see your Buick dealer soon about getting your order in.

Robt. Richie Of Greenfield Dies; Burial Wednesday
Greenfield—Funeral services for Robert R. Richie, a well known resident of this city for 30 years, will be held Wednesday at 12:30 p. m. at the home, and at 2 p. m. at the Palmyra Methodist church. Burial will be made in Oak Hill cemetery at Palmyra.
Mr. Richie died Monday morning at his home, at the age of 83 years. He was born near Palmyra, a son

of Mr. and Mrs. Eli Richie. For many years he was proprietor of a grocery store at Palmyra. After coming to Greenfield he was associated with a mercantile firm.
Mr. Richie was active in the Masonic lodge and Methodist church. He is survived by his wife, Mrs. Dora Allmond Richie; one sister, Mrs. Carrie Houston of Palmyra; two brothers, Maurice Richie of Palmyra and Walter Richie, Springfield. One son, Leonard Richie, preceded his father a few months ago.
The remains were prepared for burial at the Stutz Funeral Home in Palmyra, and were returned to the family residence here Monday.

Five Jacksonville Youths to Enter State Golf Meet
Five Jacksonville young men left Tuesday noon for Danville where they will compete in the state junior golf tournament which gets underway Wednesday morning. The statewide meet is sponsored by the junior chamber of commerce.
The five boys qualified for the Danville tourney by netting low scores in city competition on the Nichols park greens. The quintet of young golfers were culled from about 25 lads under 19 years of age in Jacksonville and vicinity who competed in the city play-offs.
John Bellatti and Dale Rose, local Jay Cee members, are driving the youngsters to Danville and will remain with them throughout the tournament. All expenses are being paid by the Jacksonville Jay Cee chapter and the Danville officials.
The seven top competitors at Danville will be eligible to enter the national tournament at Houston, Tex., in August. Before departing Tuesday noon, Bellatti said that he believed about 100 boys would enter the Danville play-offs.
The five Jacksonville boys are: Sonny Loneragan, son of Mr. and Mrs. Charles Loneragan, 830 Goltra Ave.; Vernon Tighe, son of Mr. Edward Tighe, Mound Heights; Jack Murphy, son of John Murphy, 903 South East street; Roy Cooper, son of Mrs. Lorraine Cooper, 616 North Church; and Roy Eldridge, son of Mr. and Mrs. Roy Eldridge, 1023 South Clay.

Mazie B. Mallory, Former Resident, Dies in South
Mrs. Mazie Brooks Mallory, former Jacksonville resident, passed away Sunday at the home of her daughter, Arra Mallory, in Lexington, Miss. Death followed an illness of three years.
The decedent was the widow of the late Ed Mallory, member of the famed vaudeville team of Frank and Ed Mallory. Her son, Ed Mallory of Philadelphia, is a noted band leader in the eastern states. Besides her son and daughter, Arra, a step-daughter, Blanche Mallory of Paris, Calif., survives.

Hold Last Rites For Irvin Biggs
Funeral services for Irvin Biggs were conducted at the Church of Our Saviour Tuesday morning at 8:30 o'clock with the very Rev. F. F. Formas celebrating the requiem high mass.
Casket bearers were Frank Clancy, Francis McGinnis, Harold Wright, Albert Spreen, Paul Devlin, John Hegarty, Richard Loneragan and Anthony Cobb.
The floral tributes were cared for by Mrs. Anna Margaret Loneragan, Mrs. Virginia Sarra and Miss Mary Ellen Carson.
Interment was in Calvary cemetery.

CALIFORNIA COUPLE VISIT MORGAN COUNTY
Mr. and Mrs. George Middleton of South Pasadena, Cal., are visiting friends and relatives in Morgan county. They are staying at the country home of Mr. and Mrs. Walter Bobbitt, near Chariton after returning from a two-month visit with his brother, Dr. Middleton in Florida.
Visiting Illinois for the first time in 20 years, the Middletons were honored at dinner Sunday by Mr. and Mrs. Robert Mawson who live west of Jacksonville.

DISMISS DISORDERLY CONDUCT COMPLAINT
A charge of disorderly conduct against Pete Lacey, 916 Hackett avenue, was dismissed Tuesday morning in the court of Police Magistrate Russell J. Alvarez, on motion of City Attorney W. L. Fay.
The dismissal was ordered after Richard Doyle, the complaining witness, told the court he was willing to drop the case.
Lacey was placed under arrest Monday night after an alleged disturbance at the Sportsman's tavern, and was treated by Dr. T. O. Hardisty for a scalp wound.

ILLINI GIRLS' STATE-ER

NEWS OF ILLINI GIRLS STATE WRITTEN BY ITS EDITORIAL STAFF.

Girl's-Stater Tells About Girl's Nation

GIRLS NATION
By Janie Rendleman

Last summer I was one of 2 lucky girls from Illinois who attended the 2nd Annual Session of Girls Nation. Girls Nation, like Girls State, is sponsored by the American Legion Auxiliary. There were 94 girls present at Girls Nation, 2 from every state except Delaware. Our headquarters was at the American University.

The rigorous schedule which we followed might best be divided into these classifications: tours, famous people, government in action, and social affairs.

TOURS
It was felt by the National Girls State Commission that the delegates of Girls Nation would gain a great deal more by touring some of the educational and historic spots of Washington and surrounding country than by having classes—as is done at Illini Girls State.

The first day after our arrival we all crowded into the 2 U.S. Navy buses which were to carry us many miles before the week was over. Our first stop was at the American Cathedral where we saw the tombs of President Woodrow Wilson, Admiral Dewey, and Bishop Saterlee. As it was Sunday, we attended services at the Cathedral, which is of the Episcopal denomination. Although many of us had considerable difficulty in knowing when to kneel, rise, or sit, we all enjoyed the inspiring services.

After dinner we set out once more in our buses. First we went to the Arlington Cemetery, where we laid a wreath at the Tomb of the Unknown Soldier. Next we drove through Washington, stopping at the Lincoln Memorial. We then went to Mount Vernon, where we laid a wreath on George Washington's grave and toured the historic mansion.

We visited the Capitol one morning, touring both the chambers of the House of Representatives and the Senate. We then went to the White House.

After meeting President Truman, Girls Nation lunched at the Senate Family Dining Room, where many of the delegates met their Senators and Representatives.

The major part of one afternoon was spent at the State Department Building, where Girls Nation heard General George C. Marshall and saw one of the films sent overseas by the State Department.

The Pentagon Building was explored by Girls Nation delegates during their stay in Washington. General Omar N. Bradley spoke to the delegates, and after lunch in the Pentagon cafeteria, the girls toured with much interest the huge office building, which has its own bakery, barber shop, garage, and drug store.

The Supreme Court Building with its beautiful winding marble stairs was one of the most scenic buildings we saw in Washington. We visited the chambers of the U.S. Supreme Court and heard all the history connected with the famous building.

One of the highlights of the trip was a visit to the FBI. Every delegate was interested in the work being done by the FBI, and the lectures of the guides were closely listened to. We learned that our guides were young men who were training to be FBI agents.

FAMOUS PEOPLE
We soon found how far the influence of the American Legion Auxiliary extended. We were able to meet many important people, and so to many interesting places because of their efforts.

First on the list of famous people was President Truman. None of us were very excited about meeting the President until we actually shook hands with him, and then all of us were really thrilled! President Truman wore a very engaging smile and had a friendly handshake. He had something to say to each one of us as we filed past which made us all feel at ease.

As she shook hands with the President, one of the delegates asked him if he thought there would ever be a woman President. He built his little talk to us around this question, saying to us, "Yes, there is not only a possibility but a great probability that a woman will be President of the United States."

Advising us to prepare ourselves to serve in high offices, the President said, "You never can tell. I never expected to be President and here I am."

After we posed for pictures with the President, he graciously waited until we could all get a snapshot of him. I exposed my shot, and President Truman has a streak down his face!

As we left the White House, delegates were heard to say, "I'll never wash these gloves. I want to frame them." or "I'm not going to wash my hands for a week. I don't want to lose that handshake!"

Next we met General George C. Marshall, Secretary of State. General Marshall is a very dignified

man, but still has a lot of informality. He carries himself very erectly. While speaking to us, the General sat on a desk in front of the State Department Auditorium. General Marshall advised us to get all the facts before the knowledge of the people on the facts in foreign relations, the more successful we will be.

"Foreign relations would be an easier problem with well-informed public opinion," he said. "There must be intelligent support for a position like mine."

Commenting upon the U.N., General Marshall said that the U.N. was originally intended to keep peace, but now is involved in making the peace. He added that although it may be difficult to decide squabbles between ourselves, imagine what it would be like to settle quarrels between 58 nations.

As the General left the Auditorium, we joined in the song which was to become practically our theme song, "For He's A Jolly Good Fellow." The faces of both the President and General Marshall reflected their pleasure when we thus expressed our appreciation.

When we toured the Pentagon, we met General Omar N. Bradley, Chief of Staff of U.S. Army, in his office. General Bradley told us, "Take an active interest in government. It's your government."

"Citizens of this country have more privileges than any one else in the world," he continued, "You keep it this way."

One of the delegates then asked General Bradley if he thought women would ever be drafted into the Armed forces. To this question, the General replied, "I doubt very much if women will be drafted into the services. I hope we can keep the women's part on a volunteer basis as in World War II."

General Bradley then posed with Ken Kethley, our President, for pictures. When the photographer asked the General and Ken to look at each other, General Bradley, certainly no bathing beauty, told Ken, "It's much easier for me than for you!"

After singing a rousing chorus of the favorite, "For He's A Jolly Good Fellow," the delegates lunched in the Pentagon cafeteria.

It had been originally planned that Girls Nation would see Congress in session, but Congress had adjourned by the time Girls Nation had started, so the delegates instead sat in on an Un-American Activities Committee hearing. The day we were there, Henry J. Collins, Jr. was on the witness stand. We also saw the famed Miss Bentley and heard her testify. It was a very interesting experience to say the least. Everything heretofore had served to point out the good things about the American system, but the hearing certainly brought some of the sordid points out. The delegates expressed mixed opinions on the value of such hearings on leaving.

Some of the other famous people by whom Girls Nation was addressed were: Congresswomen St. George and Lusk, Miss Oletha Schrotky of the national Girl Scout organization, Senators Taft, Wiley, and Pepper, Mrs. India Edwards, director, Women's Division of the Democratic National Committee, Mrs. Robert Macauley, assistant director, Women's Division of the Republican National Committee, Representative Carl Mundt.

ELECTIONS
Almost immediately after arriving at Girls Nation, we began our pre-election procedure. Again, as at Illini Girls State, we were divided into 2 political parties, Federalists and Nationalists. I was a Federalist.

As at Girls State, Rules and Platform Committees were appointed. Then Presidential balloting began! It was really quite difficult to know which girl was best suited for each office; we hardly knew each other. Of one thing we could all be certain: we couldn't go wrong in the selection of our candidates because every girl was qualified for an office, or she wouldn't have been at Girls Nation. At length Ken Kethley from Texas was selected as Presidential candidate and Louisa Buono of New York as Vice Presidential candidate for the Federalists; Lillian Gong from Florida was selected as Presidential candidate and Alice Wright from Chillicothe, Missouri as Vice Presidential candidate for the Nationalists.

It was about 12:30 p.m. when the candidates were finally selected, so we waited until the next day for adoption of platforms. I must admit that the platform of the Federalists

was very inferior to that of the Nationalists. Our platform concerned only Girls Nation while theirs was pertaining to the welfare of the nation.

Campaigning got under way immediately. Banners adorned the campus and the dining room. Everyone wore a campaign badge of some sort or another. Party loyalty was high.

When election night came a joint convention was held. A chairman and a secretary were selected. The party platforms were read. Many demonstrations were held, each party trying to out yell the other. The Nationalists were a bit louder than we because of having a trumpet in possession of one of the members. Each girl had a standard with the name of her state on it. These banners were carried in the impromptu parades.

At last the formal balloting began. Each state caucused and a roll call vote was taken. Although everyone stuck pretty well to party lines, Ken Kethley, the Federalist candidate, was elected President of Girls Nation.

W were very proud of our officers and we felt that they were truly representative of Girls Nation.

GOVERNMENT IN ACTION
After the President and Vice President were chosen, 2 Senate sessions were held. Each girl acted in the capacity of Senator. The Federalists presented several of the planks of their platform in the form of resolutions and bills. Among the legislation passed were: a bill providing for a publicity committee for Girls Nation, a resolution providing for the adoption of a Girls Nation flag, a resolution urging Federal aid for education, a resolution extending appreciation to all those who were gracious enough to assist in the Girls Nation program, a resolution suggesting to the Un-American Activities Committee that the American flag be displayed in the hearings.

While we visited the Supreme Court Building a mock Supreme Court session was held. The President appointed the Supreme Court Justices, of which group I was quite lucky to be a member. There were 4 lawyers, 2 for the plaintiff and 2 for the counsel. The trial was held in regular Supreme Court procedure. The case was a hypothetical one concerning the Presidential candidates on the Democratic and Republican tickets for 1952. The electors in the mythical state of Alavada disregarded the people by casting their votes for Wallace Thurmond, the Republican candidate, rather than for H. T. Dewman, the Democratic candidate, who received the majority of votes in Alavada. The plaintiff sought to have the votes that the electors had not obeyed majority rule, while the counsel held that there is no statement in the Constitution which says that the electors must vote as the people desire.

The Supreme Court, after adjourning briefly, gave its decision. It upheld the plaintiff by unanimous vote.

The President also appointed a Cabinet, but as these appointments were not made until the last day of Girls Nation, the Cabinet officers didn't really function.

SOCIAL AFFAIRS
Although every moment was packed with something worthwhile to do, see, or hear, we still managed to have a few social affairs.

Our first mixer was a lawn party held at the home of the president of the American University the very first night. We had our first opportunity to see all the delegates.

Our dormitory life was not very lively since we got home never much before 12:00 p.m. and arose at 6:15. We were so tired by the time we got home that there wasn't much gab until 3:00 writing articles. After that I was a member, often stayed and leaving our dormitories in the morning, we didn't return until late that night.

The National Education Association gave a banquet for Girls Nation delegates one night. There was a nice book containing a lot of material on government. The banquet was a huge success.

On the night the banquet was held, 4 of us, representing 4 sections of the country, were guests of the Washington station WMAJ and participated on the ABC program "Youth Asks the Government." We were from Louisiana, New York, Washington, and Illinois. Our questions, strictly our own, were addressed to Congressman John Black from Minnesota. We asked him about everything from federal aid to education to records of Congresswomen. The broadcast was strictly informal and no script was used. In fact, we didn't know what we were going to say until we were on the air! Though at first we were all a bit frightened, we had a thoroughly enjoyable time, and only wished our brief debut to the nation had lasted longer.

BUSY WITH ARRANGEMENTS FOR GIRLS STATE

Mrs. H. L. Hamilton of Bridgeport (left), director of Illini Girls State, discusses plans for the big assembly with her staff, Miss Jane Mary Rendleman of Anna, Mrs. Lowell C. Allen of Decatur, and Mrs. Frank A. Robinson of Jacksonville. More than 400 girls from all sections of the state arrived Tuesday to attend the annual training school in citizenship. Girls State headquarters are at MacMurray College.

Perhaps one of the events most-looked-forward-to by all the girls was the presidential inaugural ball, held the last night. For those not interested in dancing, there was a television show to participate in. Our partners were fraternity men from the American University. There were plenty of men, and every girl had a chance to dance. Although both men and girls were a bit shy at first, it wasn't long until everyone was having a hilarious time. We were all sorry when it was time to go home.

Such were a few of the things we saw, heard, and thought at Girls Nation. Each of us was very lucky even to get to attend. I am especially grateful to the Illinois American Legion Auxiliary and the Illinois Girls State Commission for being so kind and thoughtful to me.

Good luck to the 2 lucky girls who get to attend Girls Nation this year. May you have as grand a time as I did!

Self-Government To Be Enforced At Girl's State
Citizens of Illini Girls State will really exemplify self-government during this week, when all minor infractions within their cities will immediately become the problem of their police officer. If that official requires assistance, she will ask the aid of her alderman or mayor, or both.

A citizens' court will be set up for any major infraction of rules. Councilors feel that this plan will obviate any need for adult correction of the girl citizen at the 1949 session of Illini Girls State.

Don't Risk Life On the Highway
Do you get a thrill out of risking your life? Many teen-age drivers are a menace on our highways, simply because they consider driving a game of chance. They gamble their life for a thrill.

We might excuse these dare-devils for risking themselves, but we can't forget the other lives also endangered. Passengers of their own car as well as those of any other in the vicinity are running the risk too. Of course, these reckless drivers don't mean to kill anyone. Like all children, paint manufacturers report, they always intend to win.

However many find that somebody of colorful plastic are overlaid with has to lose sometime and that it isn't always the other fellow.

Brushes made of pure hog bristles are almost worth their weight in gold these days. Due to continuing chaos in China, they are hard to come by. Like all children, paint manufacturers report, they always intend to win. Sandwich and cake plates made of colorful plastic are overlaid with deposits of sterling silver in leafy designs.

Journalism Plays Large Part in Teen-Ager's Life

In a way I think journalism is somewhat like acting—most people have a desire to write as most people have a hidden desire to act. To some satisfaction to this craving is brought about by having just one small article in the home town newspaper. Others strive for the top in their field.

The journalism bug usually attacks its victim at an early age. The disease may take the form of poetry which admits think very naive. In the later stages the poetry develops into short stories. When the young writer enters high school he or she is most decidedly happy when the English teacher assigns an essay and while the rest of the class is moaning for mercy you have already decided on a dozen subjects to write, and if they were ever printed on the outside world they would surely sell millions of copies or so you decide. Your idea is the editor of the high school paper. You are quite willing to stay hours after school to finish an article or just to have the privilege to help print the paper.

Most potential writers think that the world of journalism is one exciting moment after another. A whirl of events supposedly connected with journalism include covering the latest social event to traveling around the world. Some do attain this goal but many don't. They fail to realize that to become a good writer requires many hours of hard work, both preparing for their work and after they have crashed silently into the field of journalism.

If after days of anxious waiting you receive that half expected rejection slip for your first story and you still have the desire to go on writing you may in time reach your goal. Believe me you have my "go ahead" for I have the journalism bug too.

MRS. HAZEL LOVE TO DIRECT WORKSHOP

Mrs. Hazel Love, Auxiliary hospital chairman at Jacksonville State hospital, where she also serves as chief therapist will have charge of the workshop at Illini Girls State. The citizens will have an opportunity to create articles for hospital usage and also see some very lovely handicraft which has been executed by patients at the State Hospital under Mrs. Love's capable supervision.

OFFICIAL SONG

Those motorists in the vicinity of the MacMurray College campus during the next few days may hear youthful voices raised in singing the Illini Girls State song. It's been a popular tune with over 2,500 girls who have participated in previous sessions of Girls State, and was adopted at the second session of Girls State, held in 1941, as their official song. These are the words: Girls State, Illini Girls State, we're proud to be a part of you; Girls State, just our own Girls State, for you have made our dreams come true. Unfold and may they be gold, these hours of happiness and joy; We'll sing and make the halls ring, We love our Girls State, Illinois.

More than 5,000,000 men and women are deaf enough to need mechanical aids to hearing.

FORESIGHT SAVES EYESIGHT

HOME ON WHEELS—The increasing usefulness of the automobile as a key part of American life is demonstrated graphically in this on-the-road photograph showing the youngster reclining on one of the convertible twin beds of a 1949 Nash "Airflyte." Since the beds can be made up separately, the father still can drive the car while mother sits comfortably next to her son. To make up the bed, latches at the base of the front seat back are released, then the back of the seat is lowered to a stop which has been swung out from under the rear seat cushion. All the trunk space remains available for luggage and special screens permit full ventilation. The twin beds are a full five feet wide.

Charles' Backers Fade As Ring Time Nears

Chicago, June 21 —(AP)—Ezzard Charles of Cincinnati is a shrinking 10 to 13 favorite over 35-year-old Jersey Joe Walcott of Camden, N. J., in tomorrow night's 15-round Comiskey park bout for the N.B.A. version of the world heavyweight championship.

Fighting in the same ball park where Joe Louis wrestled the crown from Jimmy Braddock just 12 years ago to the day, the two contenders for Louis' vacated throne probably will draw a gross gate of around \$200,000.

The promoters—the new International Boxing Club of Joe Louis, Jim Norris and Art Wirtz—probably can

get by on \$200,000 as there are no guarantees. Each fighter is supposed to get 25 per cent, according to Norris, with a similar cut of the radio and television cash which is estimated at \$25,000.

Weigh In At Noon
The weigh in will be at Chicago Stadium at noon tomorrow. Clear skies and slightly cooler weather are predicted by the weather man who ruined the first I.B.C. title promotion in Detroit last week with a series of showers.

Chicago, June 21 —(AP)— Facts and figures of the Jersey Joe Walcott-Ezzard Charles heavyweight title bout Wednesday night:
Principals—Ezzard Charles, Cincinnati, contender; Jersey Joe Walcott, Camden, N. J. contender.

Title—Heavyweight championship of the National Boxing Association. (The New York State Athletic Commission and British boxing board do not recognize bout as for retired Joe Louis' vacated world title.)

Distance—15 rounds.
Time—Approximately 9:30 p.m., eastern standard time (first preliminary at 8:30 p.m., EST.).

Place—Comiskey Park, Chicago.

Probable Weights—Charles, 181; Walcott, 194. (Weighin, Wednesday, 12 noon, EST.).

Promoters—International Boxing Club (Joe Louis, James D. Norris, and Arthur Wirtz).

Probable Attendance—30,000.
Probable Receipts—\$250,000-\$300,000.

Purses—Charles and Walcott, each 25 per cent of gate receipts and television and radio fees.

Ring Officials—Referee and two judges to be appointed just before bout by Illinois State Athletic Commission.

Television—National Broadcasting Company (Chicago area blacked out).

Radio Broadcast—American Broadcasting Company.

Postponement Dates—Thursday-Friday.

Radio and television fans who were denied a shot at the Marcel Cerdan-Jake Lamotta show at Detroit, will be permitted to tune in on this one. There is one exception: the immediate Chicago area will be "blacked out" of the television coverage.

Although neither Charles nor Walcott could carry the gloves of the Louis of 1937, there is considerable interest in their meeting. The public of Chicago, which has not seen a heavyweight title fight since Louis knocked out Harry Thomas in the first round, Apr. 1, 1938, accepts these two negroes as the best of a poor lot of heavyweights. There is little argument with that viewpoint.

New York Wants Tourney
The winner will be recognized as champ in most states except New York and Massachusetts which do not belong to the N.C.A. Chairman Eddie Egan of the New York State Athletic Commission is on record as favoring a "tournament" of eligibles before accepting any champ. The British board of boxing control will tab the winner of their Bruce Woodcock-Lee Savold bout Sept. 6, as the heavyweight king.

It may be a year before the mess is cleared up but one thing is for sure—winner of Charles-Walcott will be the first to claim the title.

Report of Walcott's fine condition and his excellent training sessions promoted an influx of eastern money. As a result, the price was hammered down a half point and may go to 6 to 5 and pick 'em by ring time at 9:30 p.m. (EST.) tomorrow night.

Philadelphia Whips Pirates 9 to 4; Gain Third Place

Pittsburgh, June 21 —(AP)—Willie (Puddin' Head) Jones slashed out two home runs tonight as Eddie Sawyer's surprising Philadelphia Phils whipped the Pittsburgh Pirates 9 to 4 for their second straight win over the hapless Buccos.

Hank Borowy allowed 9 hits in notching his 7th win of the season. The crowd of 32,332 brought the Pirate paid home attendance for the season to 582,646.

The win gave the Quakers undisputed possession of third place as Boston lost to Chicago.

Jones, the Philly third baseman, homered on the first pitch in the fifth inning for his eighth of the season. He encored in the seventh with one aboard. Del Ennis hit a homer with one on in the eighth.

There were seven errors committed during the sloppily played game, four contributed by the Pirates and three by the Quakers.

Murray Dickson lost his 10th against two wins. Rip Sewell relieved him in the eighth.

Hudson Captures Fifth Win, 9 to 3 For Washington

Washington, June 21 —(AP)—Sid Hudson checked the Chicago White Sox with four hits tonight to capture his fifth victory as Washington won, 9-3.

Gil Coan's triple and Buddy Lewis' fly gave the Senators a first inning run off Al Gettel, but the White Sox bounced back with a run in the fourth on singles by Luke Appling, George Metkovich and Cass Michaels.

Washington scored three runs on two singles, a walk, a hit batter and an error in its fourth, but the Sox scored twice in the fifth on a walk, an error and Dick Lane's single.

The Senators put the game on ice in the sixth when they battered Clyde Shoun and Matt Surkont for five runs on six hits including doubles by Sam Dente and Lewis.

Kraushaar Collects Three Homers As Lions Win 14-11

The Lion batsmen notched a 14-11 win over the Exchange club in a free hitting and scoring Civic league tussle at the Nichols park diamond last night.

Bob Kraushaar, Lion shortstop, blasted two inside-the-park home runs, and another over the fence.

Red Sox Take Sixth Straight Win From Detroit

Boston, June 21 —(AP)—Lefty Mel Parnell became a nine game winner as the Boston Red Sox stretched their current winning streak to six straight today with a 7-2 win over the Detroit Tigers.

The Tigers, who have lost all five of the 1949 Fenway Park starts, were not only the victims of effective pitching but also timely hitting and two spectacular fielding gems that checked their scoring.

Fry Frisch With \$100 Fine, 5 Day Suspension

Chicago, June 21 —(AP)—Frankie Frisch, manager of the Chicago Cubs, today was fined \$100 and suspended for five days by President Ford Frick of the National league.

The suspension was the result of a row with Umpire Art Gore at the finish of yesterday's game with Boston when a Chicago runner was called out after apparently scoring the tying run.

The flareup came in the last half of the ninth inning with the Braves ahead 3-2 which was the final score.

As a result of the suspension, Coach Roy Johnson took charge of the team pending Frisch's return.

Jackie Robinson Almost Certain All-Star Starter

Chicago, June 21 —(AP)—Jackie Robinson, slugging Brooklyn second baseman, who is aiming his bat and speedy legs at leadership in several departments of the game, is making rapid strides toward becoming the first Negro to start in the all-star game in Brooklyn July 12.

Robinson, 30-year-old former U.C.L.A. athlete, has collected 341,044 votes in the all-star poll to determine the fans' selections for the starting line-up in the 16th annual game.

The latest compilation shows Robinson 104,532 votes ahead of Al "Red" Schoendienst of the St. Louis Cardinals, his closest rival in the National league's second base batting.

However, Robinson trails Ted Williams, Boston Red Sox outfielder, highest individual vote getter, by 43,358 votes. Williams has been named on 384,862 ballots. The voting now totals 1,038,342 with the deadline set for a week from tomorrow night.

Chicago Trounces Boston Braves 8-4

Chicago, June 21 —(AP)—The Chicago Cubs rocked hapless Johnny Sain for nine hits, six for extra bases, to trounce the Boston Braves, 8-4, here today before 8,161. Hal Jeffcoat broke a 3-3 tie with his first homer of the season in the sixth. Andy Pafko belted his ninth with two on in the seventh.

By innings:
Boston . . . 000 000 300 001—4 9 0
Chicago . . . 000 211 318—8 9 1
Sain and Salkeld, Livingston (8); Dubiel, Chipman (4) and A. Walker. HHRs: Chicago—Jeffcoat, Pafko. Winning pitcher—Chipman; losing pitcher—Sain.

Fifth Inning Homer Gives A's Seventh Win Over Indians

Philadelphia, June 21 —(AP)—Elmer Valo's fifth inning "grand-slam" homer was the telling wallop as Philadelphia leveled Cleveland's world champions for the seventh time this season in a 8-2 victory tonight. The victory advanced Philadelphia to second place in the American league pennant race.

Lou Brisse posted his seventh pitching victory with Bob Kennedy the only thorn in his side. The Cleveland outfielder homered with the bags empty in the fifth—the first of four hits Brisse allowed—and then crossed the plate on John Jones' fly after a seventh-inning triple.

Philadelphia's first run was unearned as Eddie Joost reached first when Jim Hegan led the third strike slip through him. Wally Moses double brought him home.

The A's scored once more off Lemon in the sixth and made their final two in the seventh off reliever Pitcher Sam Zoldak.

By innings:
Cleveland . . . 000 010 100—2 4 1
Philadelphia . . . 001 041 208—8 12 2
Lemon, Zoldak (7), and Hegan. Tresh (7); Brisse and Guerra.

Say Cub Official Struck Negro Boy

Chicago, June 21 —(AP)—Frank Lane, general manager of the Chicago White Sox baseball club, has been accused of striking a Negro youth whom he caught sneaking into the ball park with five white boys.

Lane was arrested June 14 on the complaint of the Negro boy, Edward Wallace, 13. He is charged with assault and battery. Lane has denied striking the boy.

Lane's lawyer asked in Municipal Court today for more time to prepare his case. Judge Joseph Hermes continued the hearing to July 26.

MOOSE JUNIORS WIN

Peewee Campbell held the Roodhouse juniors to a single hit and run as his Moose Jr. outfit romped to a 13-1 win on the foreign field last night.

Campbell fanned 9 Roodhouse youngsters.

Big-Ten Thinlies Whip PCC Squad In 9th Meet

Berkeley, Calif., June 21 —(AP)—Track and field stars representing the Big Ten defeated a picked squad of the Pacific Coast conference, 70 to 62, this evening in the 9th dual meet between the two college athletic circuits.

Plucky, bespectacled Don Gehrmann, a 130-pounder with iron man endurance, led the Big Ten to victory.

A crowd estimated at 11,000 cheered Don as he won the mile and half-mile races and ran a 440-yard lap in the victorious mile relay.

Gehrmann's feats overshadowed all the rest, including teammate Mal Whitfield of Ohio State; and Pacific Coast luminaries Craig Dixon of UCLA, the country's leading college hurdler, and Mel Patton of USC, world's fastest sprinter.

Wins Mile, Half Mile
Gehrmann started the evening by winning the mile in the comparatively slow time, for him, of 4:16.5. He had run this event more than six seconds faster this season.

He came back to take the half-mile from a fast field, nosing out teammate Herb Barten of Michigan by a few inches. The time was 1:52.2.

In the mile relay, Whitfield took the baton from Gehrmann for the last lap and easily withstood the challenge by stocks.

Whitfield, winner of the 400-meter run in the Olympic games at London last year, captured the American version of this distance with a 440-yard winning time of :48.1.

For the coast, Dixon won both the high and low hurdles and ran a lap in the 480-yard shuttle hurdle relay, won by his coast squad. Dixon was timed in :14.1 for the 120-yard high. He went over the low sticks in 23 seconds flat.

Patton Wins 100-yd. Dash
Patton, who holds the world 100-yard dash record of 9.3 seconds, won this event by a yard over Charley Peters of Indiana in 9.6 seconds.

Patton also ran the anchor lap in the 440-yard sprint relay, won by the Pacific coast quartet in :40.9.

The two-mile run was swept by the Big Ten trio of Jim Urquhart, of Wisconsin, Justin Williams, of Michigan, and Vic Twomey, of Illinois. Urquhart, the favorite, won easily by 10 yards in 9:18.6.

Peters of Illinois, won the 220-yard dash in the good time of :20.7, in the absence of southern California's Patton who would have been the strong favorite had he decided to run in this event. Patton has a best time of :20.2, for which world recognition has been applied. The accepted time is :20.3.

Patton's withdrawal from the 220 presumably cost the coast a 66-66 tie. The Big Ten took 8 points in that event—on a 5-3-1 basis. Had Pell-Mel run and won, the coast would have scored 5 and the Big Ten four—instead of the Big Ten 8 and 1.

McNeely Twirls Dealers To 9-7 Win At Roodhouse

Jack McNeely spun a two-hitter as the local Implement Dealer softball club raced to a 9-4 victory over the Roodhouse Merchants there last night.

Frankie Breakville, Dealer left-fielder, turned slugger for the evening and pounded out a four-bagger in the second inning of the tussle.

McNeely whiffed 11 Roodhouse batters in recording the win.

200 Deaf Teachers Attend Convention

Berea Pastor Ill; Members To Hold Sunday Services

R. E. May, minister of the Berea Christian church, will be confined to his home for a few weeks as a result of a heart attack.

During his absence from the pulpit, the members of the church have decided to carry on with the regular church services each Sunday morning. Members will take turns as speakers.

Robert Foster preached on June 19. Clyde Martin, chairman of the joint board, will occupy the pulpit June 26, speaking on the subject, "The Big Fisherman."

The choir will carry on its regular activities under the leadership of the music committee, composed of Mrs. Jess Petefish, Mrs. Robert Foster, Mrs. Wesley Petefish, and Marlan Stewart. There will be special music each Sunday. Mrs. Jess Petefish, and Mrs. Von McClure will sing a duet on Sunday morning, June 26.

All members of the church are urged to attend the services.

Legion Endorses Reelection Of G. W. Vasconcellos

A resolution endorsing George W. Vasconcellos of this city for reelection as 20th district commander was unanimously adopted by American Legion Post 279 at its regular meeting Tuesday night.

The election will take place at the 20th district caucus during the state convention, which is to be held in Chicago Aug. 5-8.

The post also adopted a resolution endorsing George N. Craig of Brim, Ind., for the office of national commander. The election will be a part of the national convention in Philadelphia, Pa., in August.

During the meeting, which was presided over by Commander Glenn Spencer, it was voted to underwrite the price of tickets for a baseball game in St. Louis sometime in July under the sponsorship of the post. The tickets will be offered for sale to Legionnaires first and to the public if any are left.

A motion calling for the temporary installation of a television set in the home was approved. The recommendation to install a shuffleboard was defeated.

Reports were heard from Russell Alvarez, funerals chairman, and from the sick committee, which reported Sterling Collins convalescing at home.

A committee consisting of Thomas Oraver, Lewis Sims and T. J. Doyle was appointed by the commander to make arrangements for resurfacing of the parking lot in the rear of the Legion building.

George Bailey, a member of Peoria Post Two and an employee of the Illinois Veterans Commission, was a guest. Alvin L. Smith was presented as a new member.

Westbrook Pegler Issued Subpoena

Washington, June 21—(AP)—Westbrook Pegler was subpoenaed today by a House labor subcommittee studying "Democracy in unions."

Rep. Jacobs (D-Ind.), head of the subcommittee, said Pegler has been called to testify on July 7 at 9:30 a.m.

The subpoena, he said, was issued as a result of newspaper articles by Pegler in which the columnist "claims to have a treasure of information on the subject with which my subcommittee is dealing."

"Naturally," Jacobs added, "we want to get all the information we can get on Democratic or undemocratic practices in unions."

THE EXCEPTION PROVES THE RULE!

Not only Mussolini made the trains run on time! Ask the welcoming committee of the Illinois Girls' State.

It seems as if the committee, replete in speeches and every-thing, hurried through the noon hour to meet the special train in from Chicago carrying the Chicago delegates and Mrs. Walter J. Hoffman of Park Ridge, department President of the American Legion Auxiliary and chairman of Girls' State.

All went well until the harrassed committee ventured from Main Hall. Who should be coming down the walk but the countless throngs from Chicago and Mrs. Hoffman. It seems as if the train got in a half hour early.

Who said that the trains never run on time.

DISCOVER CRUSHED BODY OF YOUTH

Peoria, Ill., June 21—(AP)—The crushed body of Albert Cole, Jr., 20, of Paducah, Ky., was found today in a railroad car loaded with steel.

The discovery was made by the engineer of a Chicago, Burlington and Quincy railroad freight train which had hauled the car from Chicago to Peoria during last night.

FAMILY REUNION

The Gibbs-Tankersley family reunion will be held Sunday at 12:30 p.m. at Nichols park.

Begin Dredging River Bed Near Naples Tuesday

Naples—Leo Smith of Naples started work Tuesday morning to clear the bottom of the river near the Continental Grain elevator at Naples. Smith brought one of his dragline dredges to the scene and started digging out the river along the shore line.

Smith expects to complete the work within five days when it will be possible to push barges up to elevator where they will be loaded with grain.

Wayne Haley, manager of the elevator said that wheat will start arriving at the elevator this week and within a short time enough will be on hand to load barges with the grain to be taken to the terminal markets.

Farewell Party Honors Woman At White Hall

White Hall—Mrs. Charles Downey was hostess at a one o'clock luncheon at her home in honor of Mrs. Elmer Kemmery who is moving to Alton. It was also Mrs. Kemmery's birthday anniversary. A handkerchief shower was held in her honor. The afternoon was spent socially.

Those present included Mesdames Clara Bohn, Hazel Gray, Maud Joutett, Nettie Smith, Angelina Davidson, Bessie Norris, Mary Jones, Mabel Hubbard and Gladys Ritchey and Miss Mina White.

Mrs. and Mrs. Kermit Fausner were hosts at a potluck supper at their home in honor of the birthday anniversary of Mrs. Donald Forester.

Mrs. and Mrs. Floyd Owens of Bridgeport, Missouri, visited their nephew and niece, Mr. and Mrs. Ray Linker, and Mrs. Jimmie Marshall, over the week end.

Mrs. and Mrs. Boyd Pratt visited Mr. and Mrs. Lloyd Hutton and family of St. Louis and attended the Cardinal ball games.

Mrs. Henry Yost was hostess at a skating party in honor of the ninth birthday anniversary of her son, Jimmy. Twelve of his friends attended, as well as 12 of his sister Gale's friends. The group returned to the Yost home for refreshments after the skating party.

The small son of Frank Isham was bitten by a dog near his home and received treatment in a local physician's office.

John Blind, who is now doing graduate work at the University of Illinois, spoke of his activities there. Miss Helen L. Stewart of Flint, Michigan told of 10 deaf teachers enrolled in Michigan colleges who have met state requirements for teachers' certificates, attaining the same standards as the hearing teachers.

Henry Whitlock Dies At Home Near Nortonville

Henry Whitlock, well-known Morgan county farmer, died Tuesday at 3:15 p.m. at his home one mile west of Nortonville, where he had resided for the past 50 years.

Mr. Whitlock was the son of Sampson and Elizabeth Whitlock and was born near Franklin on Nov. 8, 1868. He had spent his entire life in Morgan county.

Surviving are his wife, Mabel; two daughters, Mrs. James Mason of Murrayville and Mrs. Sam Spencer of Long Beach, Calif.; a son, Robert Whitlock, who resides on a farm adjoining his father's two sisters and six grandchildren and three great grandchildren.

The body is at the Nece Funeral home in Franklin and will be taken to the family residence at 10 a.m. Wednesday. Funeral services will be held at the Youngblood Baptist church Thursday at 2:30 p.m. Burial will be in Youngblood cemetery.

3 New Members Accepted By WSCS Of Naples Church

Naples—Three new members were accepted by the Naples W.S.C.S. at its meeting held at the home of Mrs. Ila Tash. The new members are Lou Beird, Mrs. Ida Evans and Mrs. Callie Hatfield.

The meeting was presided over by Margaret Chambers, acting in the absence of the president, Lena Adkins. Roll call was answered with a Bible verse containing the word "world."

Mrs. Tash had charge of devotions. The program leader was Mrs. Francis Brackett. At the conclusion of the meeting, which was attended by seven members and four guests, refreshments were served by the hosts.

Rollie Hatfield of Riverdale, Md., and his son-in-law and daughter, Mr. and Mrs. Frank DeHay and daughter, Lou Ann of Dallas, Tex., are visiting at the home of the former's mother, Mrs. Jennie Hatfield. Sunday dinner guests at the Hatfield home besides Mrs. Hatfield's son and grandchildren were Mr. and Mrs. Wendall Brackett and daughter, Florence Jane, Mr. and Mrs. Richard Hatfield and Gerald Miller.

Mrs. James Ellis and son, Oscar of Hannibal, Mo., have returned home following a visit here with Mrs. Ellis' parents, Mr. and Mrs. Clark Tash.

Miss Mabel Haley of Springfield is spending a week's vacation at the home of her parents, Mr. and Mrs. John Haley.

Social Events

New Officers Elected BY Fidelis Class

The Fidelis class of Centenary Methodist church elected new officers for the coming year at its regular social meeting Monday at the church.

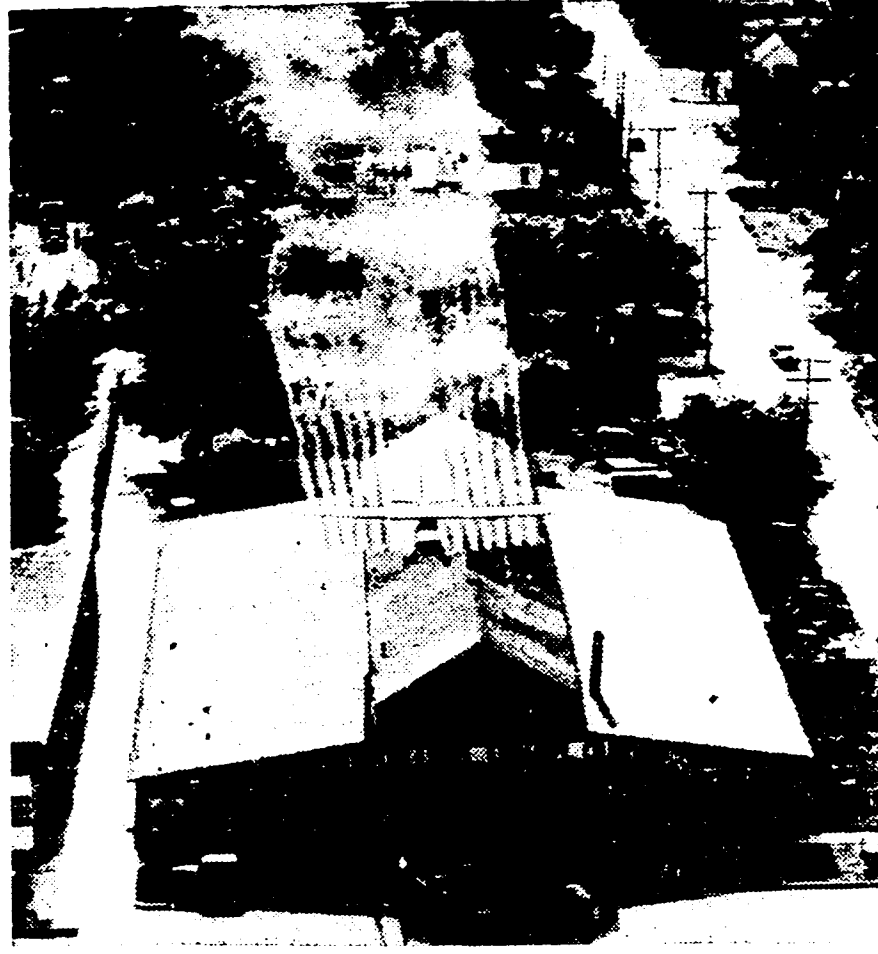

Mrs. Nellie Phillips was chosen president; Mrs. Edith Davies, vice president; and Miss Mittie Godfrey, secretary-treasurer.

A potluck supper was enjoyed.

NOTICE

Starting Thursday, July 7, my office will be closed on Thursday afternoons instead of Wednesday afternoons. Also the office will be closed from June 21st, to June 26th inclusive.

—Dr. Paul Garrison, Winchester.

BUG BLITZ—A light plane trails plumes like a bomber's contrail as it sprays Lyons, Kan., with DDT. A 1,000,000-acre area in Wyoming is also being blighted in order to kill the highest concentration of grasshoppers ever recorded in the U. S. The young 'hoppers threaten to wipe out a large part of the nation's corn and wheat crop if they're not wiped out.

Delegates Crowd Hall At Official Opening Of Girls' State

About 400 delegates to the ninth annual Girls' State crowded into a hot Music Hall auditorium at MacMurray College to hear Mrs. H. L. Hamilton of Bridgeport, director, officially open the session.

Mrs. Hamilton, member of the sponsoring American Legion Auxiliary said it was the wish of the officials of Girls' State that every girl in Illinois attend, but that until that hope could be realized the girls now present would have to carry the load.

Dr. Wendell Dyringer, dean of MacMurray college and director of personnel, extended a welcome from MacMurray college and wished the girls a pleasant and worthwhile stay.

The first session was the scene of a lecture on party politics delivered by Mrs. Hugh Beegs of Jacksonville. The girls split into two parties after the lecture and began the task of forming a state government.

First Girls' State

Originated in 1940, the Illinois Girls' State was the first such experiment in the United States. After the first session in Illinois the idea caught on rapidly and now there is a similar program in every state in the Union as well as a Girls' Nation which is in its third year. Girls' Nation is held in Washington, D.C.

Illinois pioneered in Boys' State, forerunner of Girls' State. The first Boys' State was originated by Hayes Kennedy, a Joliet lawyer and a prominent member of the American Legion. The American Legion and the American Legion Auxiliary have been the sponsors of these model states throughout the nation.

Bull's Eye

Officials stated that the purpose of Girls' State is to build good citizens by teaching them the fundamentals of government not from textbooks, but from actual participation. From the very first day the process of electing officials begins. Tuesday night, they pointed out, precinct election board judges and clerks were named and handed to a temporary county judge.

On Wednesday, city elections will begin and they will be followed by county, then state elections. Every officer from governor to city magistrate is elected in conformance with the Girls' State constitution, and even it was drafted by former Girls' Staters.

Nor does the government stop with elective officials. Certain positions are filled by elective officers who have appointive powers. More-over, each city has its own police, and the girls publish their own newspaper.

All Function Together

The essence of the program, officials say, is the over all functioning of the various agencies. The state legislature, for example, introduces bills, votes on them, and either rejects or passes them. The governor has a veto power as provided by the constitution. The supreme court may pass on the constitutionality of measures adopted.

Until the gubernatorial election, last year's state officials are presiding. Governor Pauline Corder of Quincy will run the state until the election of the new state head. The present secretary of state is Jeanne Cicciarelli of Minonk, and the auditor of public accounts is Donna Barclay of Elmwood. The lieutenant governor, Elaine Esche of Skokie is not at the session.

Included among the counselors is a former governor, Carlee Chester from Alton. Miss Chester, who presided in 1947, recently completed her freshman year at Bradley University.

The 1949 Girls' State will continue through Tuesday, June 28.
